Dear Mr. Orman:

On behalf of the members of the Georgia Association for Food Protection, I want to thank you and Ecolab, Food Safety Specialties, Incorporated for being a 2009 corporate sponsor. With corporate sponsorship through the Association, members are able to keep informed of the latest scientific, technical, and practical developments in food safety and sanitation. The Association provides its Members with an information network through its web site, newsletter, educational biannual meetings, and interaction with other food safety professionals.

The Georgia Association for Food Protection is a non-profit association of food safety professionals in Industry, Government, and Academia. Comprised of a diverse membership of over 400 members throughout the State of Georgia, the Association is dedicated to the education and service of its Members, and the community we serve. GAFFP is the state affiliate of the International Association for Food Protection.

Thanks again for your support of the Georgia Association for Food Protection. Please do not hesitate to contact me if I may be of service to you in the future.

Sincerely,

Mark R. Norton  
Treasurer, GAFFP
