

# Labeling Specialist, Publix CQA

---

**Req ID**

3480BR

---

**Position Title**

Labeling Specialist, Corporate Quality Assurance – Lakeland

---

**Job Description**

The purpose of this position is to maintain the legal requirements and integrity of Publix store-modified prepared foods labels and Publix manufactured product food labels in compliance with state and government regulations. This position also verifies and approves printed publications and electronic communications for food safety and nutritional claims prior to publication, processes pesticide and animal feed registrations in compliance with state and government regulations, and updates voluntary nutritional labeling requirements on in-store signage and publications. Researches and resolves any regulatory inquires, customer inquiries and complaints related to food and non-food labeling and nutritional information.

---

**Required Qualifications**

- High school diploma or its equivalent
  - 3 years of experience in label compliance, food claims, or working with food labels to include ingredient statements and nutritional information
  - successful completion of food labeling classes
  - knowledge and understanding of the manufacturing process
  - knowledge of various regulatory associations available for resource information
  - knowledge of the Publix structure including Corporate Purchasing, Fresh Products Business areas, Marketing, Manufacturing Plants
  - knowledge of food and non-food regulatory agencies and regulations
  - ability to act in a professional manner and remain calm in stressful situations
  - interpersonal skills
  - high degree of self-motivation, commitment, and integrity
  - willingness to work a variable work schedule due to the needs of the business area
  - knowledge of Microsoft Office programs, such as Outlook, Word, Excel and Access
  - knowledge of EZ Form labeling software
  - research and problem solving skills
  - organizational and time management skills
  - analytical skills
  - written and verbal communication skills
  - experience in leading a team
